SMS FLATSCREEN WL ST

Need some more variations?
The SMS Flatscreen WL ST is a small wall-mounted bracket that can add a lot of possibilities to your screen. It can make your screen swivel and tilt in almost any direction. The SMS Flatscreen WL ST has a compact design that will keep your screen close to the wall, a neat solution for a neat screen. Choose one of three new finishes: Glossy White, Piano Black or Dark Grey, for tasteful matching with the room and the equipment.

◯ Ceiling	◯ Heavy weight	◯ Fixed	◯ Variable
🔘 **Wall**	◯ Middle weight	🔘 **Swivel**	◯ UniSlide
◯ Floor	🔘 **Light weight**	🔘 **Tilt**	◯ Hidden
◯ Table		◯ 3D	◯ Double
		◯ Mobile	

SMS FLATSCREEN WL ST
