

## Key **Features**

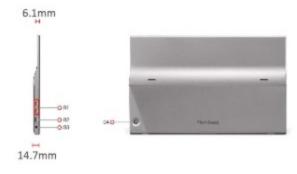

- Compact, lightweight, and portable
- · 10-point multitouch technology for a more intuitive screen control
- USB-C one-cable solution for multimedia transfer, touch signal transmission, and power charging
- . Flexible display setup work at any angle
- · Elegant, durable metallic design with a foldable stand

## Product **Description**

The ViewSonic TD1655 is a portable 16" Full HD monitor with 10-point multitouch capability designed for dual-screen productivity beyond the office. Extend your display from phone, tablet, or laptop to a larger screen for seamless multitasking, personalized one-on-one presentation, or relaxed entertainment. The two universal USB-C connectors provide a one-cable solution for multimedia transfer and power charging. Tailor your work setup to your preferences with adjustable viewing angles and the option for both landscape and portrait display layouts. With a detachable magnetic anti-slip cover, metal case, and foldable aluminum stand designed for convenient mobility, enhance your mobile workstation anywhere, anytime.

1. USB Type C x2 2. Mini HDMI 3. Audio Out 4. Joy Key
