

A fitting name for a model with a refined design and rounded lines. The secret lies in the case: its lateral ends made of pressure die-cast aluminium hide the fastening screws from sight and, once the screen is rolled up, the lid-like screen base forms a seamless whole with the case itself.

The product's attention to detail is matched by its versatility: Elegance is the ideal solution for installations which involve specific aesthetic requirements and need personalized adjustments.

Style and easy installation team up to provide a complete product, which is suitable for any environment.
