

## 4K400STx

Bright, True 4K UHD short throw projector for classrooms and meeting spaces

- True 4K UHD resolution HDR and HLG compatible
- Short throw projection Supersized 100" image from just over a metre away
- Lights on viewing 4000 lumens for bright images in any environment
- Extensive connectivity Dual HDMI ports, audio connections, USB power, 12V trigger and RS232

Discover the short throw version of the 4K400x, for when you want a big screen in a smaller space.

Future proof your classroom or meeting room with this high brightness True 4K UHD short throw projector. The 4K400STx delivers rich visuals in any environment even when total ambient light control is not possible.

This projector boasts two HDMI ports, audio connections, USB to power 5V devices, 12V trigger and an RS232 to integrate into your existing control solution.
