

ST02S 43"/ 55"

Smart Signage with Ultra-Thin Bezels

Without connecting any external processing device, the built-in **Android™ OS** allows you to access files, display contents, and start presentations directly on the display.

Edit, manage, and customise content through the **X-Sign Content Management Software** by using the 150+ templates available; with the **X-Sign Broadcast**, you can deliver instant announcement to all your BenQ's displays.

Combined with DMS Cloud and DMS Local, BenQ's **Device Management Solution** helps you easily manage all your BenQ displays at the same time and maximise the productivity for your workplace.

With the pre-installed **TeamViewer Meeting**, you can start video meetings with a simple click. The ST02S series is perfect for video conferencing solutions.
