EH-LS500W

4K PRO-UHD	4K STREAMING COMPATIBLE	4K GAMING COMPATIBLE	130" / 65"
2,500,000:1	4000 lm	Super Resolution	
3x HDMI	STREAMING	2 x 10W	WiFi® Optional

With this ultra-short-throw laser projector offering 4K PRO-UHD and a high contrast ratio, watch content on a 65" to 130" image.

Open up the possibilities to bigger and more exciting home entertainment while keeping your home stylish, without a black screen permanently on the wall. The EH-LS500W is distinctive in its discreet design, its visual performance and its ability to project from close to the display area. It's easy to set up, delivers a great picture in bright rooms and offers great value with a long-life laser light source.

The big screen experience
Watch 4K content with this stylish and affordable 4K PRO-UHD[1] projector. It can be placed very close to the projection area, while creating a 65" to 130" image. You can enjoy watching supersized content, without compromising on the look and feel of your home.
Easy to set-up
Plug-and-play or stream 4K[1] content via HDMI or your preferred streaming device. This projector has three HDMI inputs, two built-in 10w speakers and room to store a streaming device in a hidden bay at the front. Control the projector using either the included remote control or the iProjection app.

Superior picture quality
With a high brightness of 4,000 lumens and an incredible contrast ratio of 2,500,000:1, this projector delivers vivid, lifelike content and defined shadow detail with deeper blacks. Epson's 3LCD technology means its projectors have up to three times brighter colours, than comparable 1-chip DLP projectors[2]. The Detail Enhancement technology delivers sharp and smooth images, ensuring you don't miss a moment of the action.
